

LAYANG-LAYANG ISLAND RESORT & ASIAN DIVER

PROUDLY PRESENTS

UNDERWATER PHOTO CHALLENGE 2007

17 - 23 JULY 2007

Following the roaring success of the Layang Layang Photo Challenge in 2006, this year's photo event promises to be even more exciting with more attractive prizes to win. Get underwater photography tips from the best in the business with great diving in Malaysia's man-made wonder.

Located 300km off the coast of Sabah, Layang Layang is a coral atoll 14 square kilometers in diameter jutting 2,000m from the ocean depths. Its coral reefs is home to one of the most diverse group of marine life. See pygmy seahorses, ghostpipe fish, mantas, schooling jacks, marine turtles and sharks amongst pristine corals. It is without a doubt Layang Layang is one the most ideal locations for a photo shootout.
